## Kitchen Conduct and Participant Safety Agreement

### General Safety Precautions

- Adhere to all kitchen rules as directed by the instructor
- Participants must wear closed toed shoes
- Long hair must be tied back at all times.

### Participant Behavior

- Every participant is responsible for the safety of themselves, as well as others.
- Participants must follow the rules and procedures established by the instructor at all times.
- All warning and verbal commands from the instructor will be obeyed immediately.
- No work can occur in the kitchen unless a qualified instructor is present.
- Participants are expected to be on-time each day and prepared for every class.
- If there is something you do not fully understand, ask for assistance. The instructor will clarify any area not fully understood by the participant. Please ask questions if you are unsure or need a reminder.
- Report to the instructor if you feel the behavior of another participant indicates he/she is not well, or is acting in an inappropriate manner.
- Participants must not operate and/or use equipment without first having received proper instructions, and observing a demonstration on how to safely use that particular tool or piece of equipment from the instructor.
- Throwing of any object, running or any form of undisciplined conduct is forbidden and will not be tolerated.
